VOLUNTEER OPPORTUNITY

Job Title: Post Event Flyers

Objectives: To spread awareness about our adoptable pets and fundraising events.

Duties and Responsibilities: Volunteers who sign up to post event flyers will receive an email from the Community Outreach Director with the flyers attached. The Volunteer will then print the flyers and post them in community centers, grocery stores, church bulletins, etc. and remove the flyers once the event has occurred. Volunteers should not post event flyers where it is illegal to do so.

Qualifications and Requirements: Volunteers who post event flyers must have access to an email account and printer. Color printers are preferred but not a necessity.

Lines of Communication: Volunteers that post event flyers report to the Community Outreach Director.

Orientation and Training: Prior training or Orientation is not required for this opportunity. Woodford Humane Society encourages participation in a Volunteer Orientation but this is not mandatory.

Time Commitment: Up to 2 hours per month.

Commitment Requirement: None.

Benefits: Helping our adoptable pets network for their forever homes by raising awareness. Adoptable pets are usually at each of our events and the more attendees, the more chance of finding forever homes!

Challenges: The volunteers posting event flyers may not see a tangible result for their efforts but must remember that any exposure for our homeless pets and our organization helps our animals find forever homes.
